

SUBSTITUTE RECYCLING HANDLER

Department: Recycling

Summary of Duties: Picks ups recyclables on city routes, and is able to distinguish between recyclable and non-recyclable items and tag any items left at the curb.

Qualifications: High School Diploma or equivalent preferred. Must be physically fit and be able to lift a minimum of 60 pounds.

Special Note: This contract is through New York State Industries for the Disabled (NYSID). NYSID is designed to provide Individuals with Developmental Disabilities with employment opportunities. Under this contract, a majority of worked hours must be done by Individuals with Developmental Disabilities and preference will be given to qualified applicants with Disabilities. Please contact Carolyn Dawson at Walnut Street (343-1123) for further information on determining Disability status.
